Required

*I understand the SentriLock Electronic Lockboxes are the property of Realcomp and must be returned to Realcomp or to my Broker/Designated REALTOR® upon the inactivation of my Realcomp MLS account.*

*I understand that for Realcomp to best manage its electronic lockbox service and maintain its current service levels, it needs to ensure its lockbox inventory is being utilized as intended--as well as possible--while remaining fiscally responsible. As such, I may be asked to transfer one or more unused lockboxes in my possession to an associate in need.*

*I also understand electronic lockboxes should never be discarded, for any reason, and that I am responsible for contacting Realcomp to arrange for a lockbox to be returned, exchanged, or serviced (i.e., low battery, shackle not opening, etc.).*

*Failure to do so could result in a \$120 equipment recovery charge per lockbox being assessed to me.*
